

PILGRIM CONGREGATIONALIST

Sharing the Good News of Mission Hills United Church of Christ
An Open and Affirming (ONA) Congregation

July 2022

Welcome to summer!

For the last six months, we've been busy gathering and mixing together various ingredients for Church Growth. These include:

1. Vibrant ministry with children, youth, and families
2. Memorable worship that is child-inclusive, values excellent and accessible music, varied enough to "attract people under 40 and keep people over 60," that connects to multiple cultural expressions while remaining grounded in traditional Protestant/UCC expectations.
3. Engaging online presence – website, social media, accessible content
4. Quality worship in person and online, i.e. can you see? Can you hear? Do you feel included?

Very few people walk into a church they haven't thoroughly researched online. Our focus isn't to build an online church but an online experience compelling enough for the person to walk in the door and become part of the congregation.

5. Earned reputation in the neighborhood and city for commitment to the community that attracts them to know about and even check out our church

All of this is dependent on:

6. Genuine hospitality with easy ways for people to connect – and people eager to help people connect
7. Meaningful service opportunities available immediately– and leaders to organize them.

We are making wonderful progress and hope to see our efforts grow the church, especially when school resumes. Our back to school preparations include a Blessing the Backpacks Sunday on August 28. We invite your children and grandchildren and neighborhood children to come to worship with their backpacks for a special blessing during the service.

Safe travels this summer!

Blessings,
Pastor David

Moderator Message

Being someone that likes to look at things sometimes from a historical perspective, I re-read the similar message written by Jon Pettis (our talented outgoing Moderator) from a year ago in July 2021. It is amazing to read that and see how far our church has come since that moment in time. At the beginning of July last year plans were being made by the Pastor Search Committee to bring a promising candidate, Pastor David Bahr, (whose name was known only to the Search Committee at that time) out for a preliminary visit.

Our church had just recently reopened for live services and members were cautiously coming back in person. The church was working with a relatively new livestreaming system. Plans were being made to reactivate a live Sunday School program for children once again.

So much has happened with MHUCC since then. Then pastor candidate Rev. Dr. David Bahr made a very favorable impression on his initial visit to the church, was recommended, and a candidating weekend was set for August 7-8, 2021. He offered an inspiring sermon on how he would choose to change the world on Aug. 8th and the congregation voted that he be called as our next Pastor. His leadership and carefully crafted Sunday services have inspired and called us to actively live our faith.

Even before Pastor David began his MHUCC ministry in October, the church hired Angelica Eclar to be permanent Director of Vocal Music. We have a reenergized and exciting music program under Kris Abels' and Angelica's leadership and coordination. The church website has been redone and we have a fresh engaging digital presence to interest people in our church. The technology making it possible to livestream our Sunday morning services is in the process of being improved and we have the very capable team of Saige Afalava (Worship Technologies Coordinator) and Trevor Norkowski (Worship Technician) overseeing the technology every Sunday.

The children's Sunday School classes have continued under the interim leadership and coordination of David Sommer and the faithful instruction of Mike Groby and a rotating group of volunteer assistants. The church just recently found the ideal person to fill the newly created position of Director of Ministry with Children and Families -Artcel Ruiz who has just started sharing her heart for God with the children and the congregation. She will have a good framework to work with thanks to the thorough and thoughtful study undertaken by the Faith Formation Ministry on what all the different church members are wanting in the Christian Education offered at our church.

The church continues its outreach and involvement in the community in a number of ways (support of Uptown Community Service Center, continuing sponsorship of an El Nido apartment for families escaping domestic violence, the monthly food distribution in the church parking lot, and providing a monthly dinner to the Storefront Youth Shelter to name a few). Mission and Outreach Ministry is embarking on new monthly emphasis on special outreach programs.

We have much to be excited about as we look forward to this next church year from July 2022 through June 2023. But let us always be mindful that the strength of our church lies in our community and our love and support of one another in good times and bad.

Wishing you blessings this first full month of summer, Carol

We had a booth at Pioneer Park on July 4th, with crafts, games and conversations!

SUNDAY SCHOOL

On Sunday, June 26, our kids made delicious banana muffins and were shared with our congregation during Fellowship Hour.

They were so yummy!

Thank you from Uptown Community Services

The Uptown Walk for the Homeless/Needy on Saturday, May 21, 2022 was a great success. There were 25 walkers who stretched out over many blocks. We had a quick tour of the Center and then returned to University Christian Church. The continental breakfast was prepared by the non walkers outside due to Covid caution and the construction underway at the University Christian Church. We were able to raise over \$7,000. Many thanks to all walkers and sponsors, see you next year!

History Corner

Looking back at our oldest church photo directory (1969), we find some familiar faces. The family pictured here moved to Mission Hills in 1968 and joined our church the next year. They visited neighboring churches but found MHUCC to be the most welcoming. This is the Selleck family, Laurence and Leanna, and their children Sheri and Laurence IV. Sheri now lives in Jamul, CA, and Laurence IV lives in Amersham, England. Leanna has been a very active member of this church for the past 53 years!

Meeting Minutes

In order to enhance communication with the Congregation, here is a link to the minutes of the May Church Council Meeting:

Our July Mission Partner is Monarch School located in the East Village area of San Diego. A public school run in partnership with the nonprofit Monarch School Project, the school serves unhoused students and their families who live in San Diego County. Monarch has developed an innovative approach to learning where students gain the skills they need to improve their lives, develop awareness of their emotions, explore their passions and plan for a life of self-sufficient living. It is the only comprehensive K-12 school in the US developed specifically to serve unhoused students and their families.

July Donation Drive

In July we will collect clothes and money for Monarch School's "Butterfly Boutique" where students can "shop" for clothing, shoes and hygiene items. The greatest need right now is **teenage boy/male clothing, all sizes**. Clothing can be new or gently used and clean (no holes or stains). Items needed include jeans, basketball shorts, sweat-shirts, plain color t-shirts and boxer shorts (new only). Please deposit clothes in the donation containers in the church narthex. Monetary donations can be made by using the colored envelopes in the pews or online at <https://missionhillsucc.org/>. Monetary donations will be used to purchase clothing items for the donation drive.

Volunteer Opportunities

Monarch School has several volunteer opportunities. They generally ask for a weekly commitment of 1-3 hours. Sign up on-line: https://docs.google.com/forms/d/e/1FAIpQLSdyP7IKhX4zKS-CZoFHMSTthJcXA3jk_kWY-dGBfUWUIN8iQQ/viewform
